### **Important Notice**

*After careful consideration, we have decided to cancel our upcoming Business and Networking Luncheon, currently scheduled for April 3, 2020. Refunds (credit card credits or check, depending upon how you registered) will be issued as soon as practical given restraints with members working remotely for extended periods.*

*With regard to our Annual Educational Conference, we are exploring what our options are with the hotel that will not incur significant financial burdens to ARM. Although the conference is still scheduled for June 8-10th, we are looking into rescheduling options for later in the year or cancelling depending upon the outcome of our negotiations with the hotel. At this time, it is recommended that firms refrain from booking rooms and/or non-refundable airfares until further notice. Further, there is no need to cancel existing room reservations, unless you personally decide to do so.*

*Thank you for understanding. We wish everyone well during these unprecedented times.*
