### **The Association of Registration Management Inc.'s 2020 Virtual Educational Conference**

We regret that we could not host our annual conference this year in Florida, so we are doing the next best thing! This is an opportunity for you to learn from experts in Compliance, Registration and Licensing. Subject Matter Experts from FINRA, NFA, NASAA and Industry have agreed to participate and will inform attendees of the latest changes affecting our industry.

The virtual conference fee is \$199 per individual ARM member and \$299 per individual non-member. Our hope is that by being able to offer a reduced rate, more individuals will be able to take part! Individuals **MUST** register **BEFORE** September 25<sup>th</sup> to receive their personal links to the event and may do so [HERE](#) by credit card (preferred) or check.

We are pleased to waive registration fees for our Regulators, but you **MUST** register so that you receive your personal links to the event.

Registration is **NOT** transferable. Registration is on a per-person basis only and required to receive personal links to attend. Links will be provided under separate email prior to the event. Fees will **NOT** be refunded after September 25th.

Please watch our website at [www.armgmt.org](http://www.armgmt.org) for updates and agenda.

We look forward to “seeing” you!!!
