

*Now in our 45th year!*

*Why Go It Alone?*

## **ARM 2020 Virtual Educational Conference September 29 and 30**

To our Vendors:

The Executive Board of the Association of Registration Management, Inc. ("ARM") would like to invite you to take part in the first ARM 2020 Virtual Educational Conference to be held September 29 and 30.

Due to our having to go "virtual" this year and not being able to host an Exhibitor Fair which provides visibility to our industry, we instead are offering you the opportunity to advertise as a Conference Exhibitor. Your ad will be seen on our conference mobile and desktop apps that all registrants will be accessing to attend our conference. Additionally, you will have the option of providing us links to contacts at your firm so that attendees can connect with you from your ad.

The fee to "exhibit" is \$1000.00. Upon receipt of this fee, we will provide instructions as to what additional information we will need from you to get you set up.

*Please note that all attendees/vendor reps MUST register for this conference at either the Member or Non-Member rate (whichever is applicable). You may secure your registration and exhibitor space via credit card or check through the registration link [HERE](#). Individual registration is mandatory, on a per-person basis and non-transferrable.*

This has been a frustrating year for us all and ARM does not want to let this year go by without being able to offer our industry the timely and critical information we all rely upon. We are trying to keep fees low so that participation will be high. Your participation as an Exhibitor will help to reduce our costs. We may not break even, but at least we will take less of a loss thanks to you!

For more conference information, please watch our website at [www.armgmt.org](http://www.armgmt.org) or contact Marian Desilets at [armgmt@armgmt.org](mailto:armgmt@armgmt.org).

Thank you!
