The Spa pool and recreation facilities are complimentary to Spa guests 18 and older; guests not receiving Spa treatments may use these facilities for a daily fee of \$25. Guests not staying at the resort may use the facilities for a daily fee of \$50.

Spa services should be scheduled in advance. The Spa Reservation Department can help plan your Spa experience, including the best order of treatments. Please call 904-277-1087. When making reservations, please notify the agent if you have high blood pressure, allergies, physical ailments or disabilities, or if you are pregnant. There are a few services that should be avoided during pregnancy, but most can be enjoyed. A credit card number is required at the time reservations are made.

Most body treatments are enjoyed without clothing, however, please wear whatever is comfortable for you. Disposable underwear is available upon request. During all treatments, the body is fully draped, except for the area being worked on. Robes and slippers are provided in the ladies' and gentlemen's lounges before and after treatment.

Lockers are available for personal items, however, if you are a guest of the resort, it is recommended you leave valuable items in the safe in your guest room. Cell phones and pagers should be turned off in the Spa.

Shaving is recommended but not necessary for gentlemen prior to a facial. If you choose to shave prior to your facial, please do so at least two hours before your appointment.

Shaving is not recommended prior to body treatments or hair removal services. Body hair must be at least ¼ inch long for effective treatment. Avoid prolonged sun exposure for 24 hours before or after waxing. Avoid any physical activity that will cause excessive heat or perspiration following the service. Brazilian bikini waxing is not available.

To enhance your Spa experience, please arrive 30 minutes before your scheduled treatment. This will allow time to relax in the lounges, saunas, steam rooms and whirlpool. Arriving late will simply limit the time for your treatment, thus lessening its effectiveness and your pleasure. Your treatment will end on time so the next guest will not be delayed. The full value of your treatment will be charged.

Your Spa experience is your time, and you should delight in it to the fullest. If you experience discomfort due to room temperature, massage pressure, music volume or any other conditions, please tell your therapist immediately.

All major credit cards and travelers checks are accepted. You may also charge Spa services to your resort bill. For your convenience, a 20% gratuity will be added to each Spa service. Gratuities are dispersed to the Spa staff members who serve you during your visit. Additional gratuities are at your discretion.

Spa gift certificates may be purchased in specific dollar amounts. Gift certificates can also be used toward purchases in the Spa Boutique.

CANCELLATION POLICY

Any appointments rescheduled within the six hour window will incur a move fee of \$25. Cancellations of packages or private parties require one week's notice. Groups are subject to a four-week cancellation policy. Please see the Group Coordinator for additional information.
