

Why Go It Alone?

ARM 2024 Annual Educational Conference June 3-5

The Executive Board of the Association of Registration Management, Inc. ("ARM") would like to invite you to participate as an Exhibitor and/or Sponsor in our 2024 Annual Educational Conference to be held June 3-5 at the beautiful Ritz-Carlton in Sarasota, Florida!

We provide several sponsorship choices for you to not only support this very worthwhile and popular conference, but to also publicize your services and/or products to our attendees, representative of both industry and regulators. ARM will recognize your sponsorship on our website as well as in all our conference literature and special signage, where appropriate. **This year, we will also offer mobile app access, which will provide additional features for you to have more exposure. Those details will be provided upon your registration.**

This year's sponsorship opportunities are noted below.

	Contact Marian for pricing
Monday lunch or reception	
Wi-Fi Sponsor	\$2500.00
Tuesday evening Trolley	\$2000.00
Tuesday morning breakfast buffet	\$4000.00
Tuesday morning or afternoon break	\$3000.00
Tuesday evening entertainment	\$2000.00
Wednesday morning breakfast buffet	\$4000.00
Wednesday morning break	\$3000.00
Keynote Speaker	\$3000.00

**NOTE: Several of the above fees do not completely cover all our expenses. Therefore, your sponsorship will be promoted as in partnership with ARM. If you would like to cover the entire cost for sole recognition of one or more events, please contact Marian directly for pricing details.*

ARM will handle all food and beverage arrangements directly with the hotel unless otherwise discussed.

We also will have Exhibitor opportunities! Exhibitor section/space will be available for a fee of \$2000.00 per table (standard 6-foot table). Sponsors of events will receive expanded exhibit space!

Please note that all attendees/vendor reps **must register separately** for this conference via the Individual Conference Registration option if they plan to take part in sessions, networking events, meals and receive meeting materials and handouts. This is the only way we can accurately gather a head count as well as cover our costs. **Name tags are mandatory for access to all events and will not be provided without proper pre-paid registration!**

You may secure your individual registration, exhibit space registration and/or sponsorship via credit card or check through the registration link. Click [HERE](#) to begin the registration process for each!

For those of you who have been with us over the years, we *thank you* and look forward to seeing you again in June. For those of you who may be new to exhibiting at our conference, we assure you that you will not be disappointed. Our attendees are very supportive! Monday evenings are typically nights when Vendors take their clients to dinner. There are many restaurants within walking distance of the hotel. No transportation will be provided by ARM. A restaurant listing is attached for your reference.

We thank you for your consideration and look forward to seeing you at the ARM Conference. For more conference information, please watch our website in April at www.armgmt.org or contact Marian Desilets at armgmt@armgmt.org.
